TRADITIONAL GRADING SCALE vs 4 POINT GRADING SCALE

A+   **4**   **Exceeds expectations (Ready for a Challenge)**
- I can complete the task without help
- I can explain how to do the task in my own words
- I can help someone who is struggling with the task
- I can explain how it applies to my life.
- I can do it **all** correctly/teach this skill

B   **3**   **Meets basic expectations (I got it!)**
- I can complete the task without help
- I can show that I understand
- I can find my own mistakes
- I can do it **mostly** correct (with at most one minor error)

C   **2**   **Approaching expectations (I'm getting there!)**
- I can complete the task with help or a guided example
- I may still make a few mistakes
- I can find my mistakes with help from someone
- I can do **some** of it correctly

D   **1**   **Needs Improvement (I need help!)**
- I can follow the task while someone explains it to me
- I cannot figure out what I am doing wrong
- I can do **very little** of it correctly

F   **I**   **No evidence of learning**
- I cannot figure out how to start
- There's **no** evidence I can do it
